INTRANS Workshop

22-25 January 2024
IJCLab, Orsay, France

FIRST CIRCULAR

The INTRANS (Instrumentation and Training for Nuclear Spectroscopy and Reaction Dynamics) Service Improvement subtask of the EURO-LABS Horizon EU program, promotes the coordination between the research infrastructures and research groups involved in nuclear spectroscopy and reaction studies, to optimize the use of valuable resources and to enhance synergies among researchers on a broad European scale for frontline research.

The aim of the INTRANS 2024 Workshop is to present the status of gamma-spectroscopy research in Europe and to discuss its perspectives. Sessions will be dedicated to the presentation of recent theoretical studies, the latest results obtained at international gamma-ray facilities, the discussion of the challenges of future research and the development of new instrumentation for nuclear spectroscopy and nuclear reactions.

Review talks are planned with ample time scheduled for discussion. These reviews will be followed by shorter contributions selected from the submitted abstracts.

WORKSHOP VENUE

The workshop will take place in Orsay, France. Orsay is situated about 25 km south of Paris.

The workshop will be held in the Auditorium P. Lehmann of the Laboratoire de Physique des Deux Infinis Irène Joliot Curie (IJCLab). The auditorium is situated in building 200, a few minutes walking distance from the RER B metro station Orsay

Ville. Detailed information on how to reach Orsay can be found on the workshop web site : <https://indico.ijclab.in2p3.fr/e/intrans24>

REGISTRATION & ABSTRACT SUBMISSION

Participants are invited to register using the registration form available on the web site. There will be no registration fee. Financial support will be available upon request for young researchers wishing to attend the Workshop.

IMPORTANT DATES

Registration: from July 6th to December 22nd 2023

Deadline for abstract submission: 31st of October 2023

Notification to contributors: 1st of December 2023

SOCIAL EVENTS

A welcome cocktail will be served on Monday the 22nd of January at IJCLab Orsay. The social dinner will take place in Paris on Wednesday the 24th of January.
