

Basic Training School on Accelerators

June 18th - 27th, 2024
Warsaw, Poland

BTS24 will be organized by the **Heavy Ion Laboratory (HIL)** and the **Institute of Nuclear Chemistry and Technology (INCT)**, Warsaw, Poland

BTS24 will involve hands-on activities around the U200-P cyclotron (HIL) and electron accelerators (INCT) to get basic knowledge and develop skills on use of detectors, electron beam control and dosimetry.

How to apply:

To apply register online at <https://indico.slcyj.uw.edu.pl/e/bts24>
